THE AERIS COLLECTION

The Aeris collection

designed by Morten Svendsen

Aeris dining A4 butterfly and Titan Vemeer all in Light Oak

Morten Svendsen, owner of PBJ

The Aeris range of tables has an elegant and classic look with a modern touch of Danish simplicity. The floating top gives the table a light impression and enhances the design and beauty of the rounded, tapered solid legs and the attention to detail that they represent in themselves.

The Oculus range of sideboards, highboards and display cabinets, can also be ordered with matching Aeris legs, the cabinets are veneered with rounded solid edges and mitre joints. Doors and drawers are with nicely recessed oval handles. All cabinets are also beautifully veneered at the back, so they can be free standing as well.

Enjoy!
