Malli collection

designed by Morten Svendsen

The Malli dining table and its classic, modern design with a beautiful leg detail will match any home interior from classic to modern.

The fixed tabletop with solid edges has a smart integrated storage facility for extension leaves at each end and can be ordered with one or two extension leaves matching the tabletop.

The table is available in a wide selection of wooden finishes and hard-wearing laminated finishes in a wide variety of colours.

The Malli sideboards, highboards and display cabinets represent a comprehensive range of cabinets in a soft organic design. All cabinets have a drinks/storage compartment on both sides with curved wooden doors fitted with a magnetic catch. The solid wood legs of the cabinets are with adjustable feet.

All doors and drawers are with soft-closing and the glass doors with push-release. The glass cabinets can be ordered with LED lights with sensor and dimmer.

All cabinets are also beautifully veneered at the back, which means they can be free standing

Enjoy.
