The design is yours - the possibilities are many

Moore is a range of elaborate and floating shelves and cabinets enabling you to design your own wall combination to your exact requirement.

The cabinets have nicely rounded solid edges with mitre joints and the choice of sliding doors or flaps with fabric.

The wall system is created with a light expression, allowing you to design your unique Moore unit to fit the wall space you have available, and in a variety of combinations, colours and types of wood.

The Moore minimalistic designed wall unit system consisting of floating shelves, wall units and media units will enable you to design your own wall unit combination to your exact requirement. All shelves and wall/media units comes with nicely rounded solid edges with mitre joints with a choice of wooden sliding doors and fabric clad flaps through which the signals from your remote control will easily pass enabling you to operate your various AV-appliances. Moore gives you the unique opportunity to design your own storage or display unit perfect for your home.

designed by Michael H. Nielsen

DESIGN YOUR OWN

Play with shelves, cabinets and wall rails to design your own Moore storage unit.
