# Stick *Designed by Michael H. Nielsen & Charlotte Wegener*

The Stick range of coffee, lamp and side tables represents a modern, simplistic design in a variety of sizes that can be combined in different ways or as stand-alone pieces.

The Stick has solid wood legs and fits both into the small apartment and into the spacious living room. The Stick work desk and it's trendy, contemporary design has got all the features required for a functional work desk where everything can be packed away when the job is done.
